PETITION UNDER 37 C.F.R. § 1.181(a)
TO WITHDRAW HOLDING OF
ABANDONMENT

Mail Stop Petition

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Abandonment mailed August 27, 2002, Applicants respectfully petition under 37 C.F.R. § 1.181(a) and MPEP § 711.03 to withdraw the holding of abandonment for the above-referenced patent application.

As evidence, the following items are submitted herewith:

Exhibit A: A copy of the Revocation, Substitution, and Change of Correspondence Address notice for this application.

Exhibit B: A copy of the Notice of Allowance for this application.

Exhibit C: A copy of the Notice of Abandonment for this application.

REMARKS

Applicants understand the sequence of events leading to the abandonment to be substantially as set forth herein. Majestic, Parsons, Siebert and Hsue ("Majestic") originally had power of attorney in the prosecution of this application. Applicants changed the power of attorney to Townsend and Townsend and Crew ("Applicants' representative") through a Revocation, Substitution, and Change of Correspondence Address notice dated March 12, 2001. A copy of the Revocation, Substitution, and Change of Correspondence Address notice for this application is enclosed as Exhibit A. On April 12, 2002, the Examiner mailed a Notice of Allowance in the case, setting a three-month period for response. A copy of the cover sheet of the Notice of Allowance is enclosed as Exhibit B. Applicants note that the Notice of Allowance was addressed and mailed to Majestic, the attorneys previously involved in the prosecution of this application. Consequently Applicants' representative did not receive the Notice of Allowance. On August 27, 2002, the Examiner mailed a Notice of Abandonment in the case. A copy of the Notice of Abandonment is enclosed as Exhibit C. Applicants note that the Notice of Abandonment was also addressed and mailed to Majestic. Again, Applicants' representative did not receive the Notice of Abandonment. Applicants' representative only became aware of the misdirected Notices after sending a Status Request on June 25, 2003. Applicants' representative was only able to file this petition after receiving faxed copies of Exhibits B and C from the Examiner on September 9, 2003.

Applicants contend that the evidence provided herein establishes a lack of receipt of the Notice of Allowance mailed April 12, 2002. As the misdelivery of the Notice of Allowance was due to the actions of the PTO, Applicants respectfully petition under 37 C.F.R. § 1.181(a) and MPEP § 711.03 to withdraw the holding of abandonment. Petitions filed under these provisions do not require a fee.

Appl. No. 09/637,621
Petition dated September 15, 2003
Reply to Notice of Abandonment of August 27, 2002

PATENT

Should the petition to withdraw the holding of abandonment not be granted, Applicants petition in the alternative to revive the above-referenced application under 37 C.F.R. § 1.137(b) as unintentionally abandoned for failure to timely respond to the Notice of Allowance mailed April 12, 2002. Applicants request revival of the application. Applicants herewith:

1. Authorize deduction of the petition fee, pursuant to 37 C.F.R. § 1.17(m), in the amount of \$650.00 for a small entity.

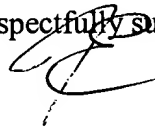

2. State that the entire delay in filing the petition pursuant to 37 C.F.R. § 1.137(b)(3), from the due date for the payment of the Issue Fee to the filing of a grantable petition, including the delay from the date of discovery of the abandonment of the application, was unintentional.

Please charge any additional fees or credit overpayment to Deposit Account No. 20-1430 of the undersigned. This petition is submitted in duplicate.

CONCLUSION

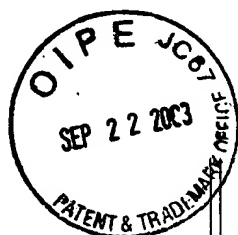

If a telephone conference would expedite consideration of this matter, the Examiner is invited to telephone the undersigned at (415) 576-0200.

Respectfully submitted,

Todd Esker
